

## **Transport Emergency Responders Course**

### **Course Details**

**Course:** Transport Emergency Responders Course

**Cost:** \$2318.00 (GST Free) – Payments must be made when booking

**Duration:** Three days

**Time:** 8:00am – 4:30pm (please arrive 15 minutes early on the first day)

**Location:** 441 Sutton Road, Majura ACT 2609

**Mode of Delivery:** Face to face

### **Accredited Course:**

- 10188NAT Course in Dangerous Goods Road Transport Emergency Recovery Operations

### **Units of Competency:**

- TERPIR001 Plan initial company response to a dangerous goods road transport emergency
- TERCRO001 Conduct recovery operations at a dangerous goods road transport emergency site
- TERCAR001 Complete initial clean up and recovery operations at a dangerous goods road transport emergency site

### **Pre-Course Requirements**

- All students must have a moderate level of English language, literacy and numeracy.
- Students must have previous industry experience as they are required to provide us with third party reports from a manager and a fellow colleague from an external agency.

### **What to bring**

- Completed Enrolment Form. Please ensure that you have supplied your **USI number** on the enrolment form, otherwise the certificate cannot be issued to you. A USI number can be obtained by logging on to [www.usi.gov.au](http://www.usi.gov.au).
- One form of photo ID.
- It is recommended that you bring your companies Transport Emergency Response Plans (TERPs) but this is not a compulsory requirement.

### **Lunch**

Lunch is provided for this course. If you have any dietary requirements you must advise our office within a minimum of three working days prior to the course commencing. Kitchen facilities are also available for your use with tea, coffee and biscuits provided.

### **Clothing**

- Comfortable clothing suitable for the expected weather conditions – some of the course is conducted outside.
- High visibility clothing - You can either bring your own or borrow one of our vests.
- Safety boots or properly enclosed shoes.
- Additional items depending on the weather such as; a hat, sunscreen, rain jacket or umbrella.

### **Course Assessment**

On the first two days knowledge is tested in the forms of both written learning activities during the classroom training and also in individual practical demonstrations. On the final day a full practical assessment is conducted. This is done by simulating a real life emergency incident. The assessment is conducted in groups as this is the most realistic way an incident would be dealt with in a real life situation. Although the final assessment is conducted in a group situation, we ensure the assessment is valid and fair by ensuring each student is assessed individually against each element of the assessment. Any students who are found to be 'Not Yet Competent' will be able to undertake a re-assessment at a later date.

### **Schedule**

The course is delivered over three days and includes a mix of theoretical and practical training and assessments. The course runs from 8:00am until 4:30pm but we ask that students arrive 15 minutes early to complete the registration and enrolment. The course comprises of the following elements:

- Types of emergency incidents
- DG tanker construction
- Equipment used at an emergency incident
- Dangerous goods codes and regulations
- Analysis of a response trailer
- Equipment identification and how it is used
- Product recovery operations
- Minor leaks, static electricity etc.
- Demonstration of simulated product recovery operations
- Simulated emergency incident using actual rollover tanker and associated equipment

### **Issuing of Emergency Responders Card**

Successful completion of this course is part of the application process for the 'Emergency Responders Card'. The card is endorsed by CROIERG, National Bulk Tanker Association (NBTA) and the Australian Fire and Emergency Services Authority Council (AFAC). Once industry accreditation is received, the card is then issued by the Fire Protection Association Australia (FPA Australia). There are additional requirements when applying for an Emergency Responders Card and successful completion of this course does not guarantee a student will be approved when applying for a card. When students enrol into the course they will be provided with the application form for the Emergency Responders Card. Students that successfully complete the course will need to submit this form to FPA Australia.

### **Recognised Prior Learning (RPL)**

In the circumstance that a student has previously completed training or has skills and experience relating to this course, they will be eligible to apply for Recognised Prior Learning (RPL). We do warn that due to the high risk nature of this course and the requirement of a simulated training environment, the RPL process is quite rigorous and students are still required to complete the mandatory assessment kit. Credit transfers will not be applicable for this course as TISC is the only RTO licenced to deliver it and it is always delivered holistically.

### **Learners Rights**

Students have the right to appeal any assessment decision. In the event of a student wishing to register a complaint or appeal they must complete the Complaints and Appeals Recording Form. Students can obtain a hard copy of the complaints and appeals procedure from TISC upon request. In the event that Sutton Road Training Centre is unable to complete the delivery of any components of the course, a full refund will be issued to all enrolled students.

### **RTO's obligations**

As part of Sutton Road Driving Centres obligation to the learner, we will ensure that all training is compliant with the Standards for Registered Training Organisations (RTO) 2015 and is delivered to a high standard. On successful completion of this course all students will receive a statement of attainment which meets the VET Quality Framework.

### **Booking Conditions and Cooling-Off Period**

Sutton Road Training Centre does not accept any tentative bookings and will only confirm a student's enrolment once the payment has been made.

**Refund Policy** – Cancellations made up to one week (7 days) prior to this course commencing will receive a full refund. Any cancellations made after this time will not be eligible for any refund.

Failure to appear on the day will not attract a refund. However, TISC at their sole discretion may offer to rebook the student on a later course upon the presentation of a medical certificate for the course days that were missed.
